The Patzau Prairie

The Patzau Prairie:

1,557 Sq. Ft., 2 Bedrooms, 2 Baths

From our **MillCrafted Western Series** this compact round log home design offers a very attractive layout and rich architectural elements throughout. Featured on our web site and with new construction started in Southern Indiana, this design is packed with strong curb appeal. This design was featured in the San Antonio Fall 2005 home show, built and furnished in the Alamodome building in San Antonio, Texas.

Amenities Include: 1,557 square foot, with 2 bedrooms, 2 baths, a fireplace & hearth, an open kitchen, dining, and great room, interior bedroom log walls, an upper loft/third bedroom area, a wrap around deck and entry porch and more. For almost 1,200 additional square foot, add a walkout basement and this home is perfect for “empty nesters”, weekend getaways, office application, and other. This plan is one of our most requested designs, a real charmer.
